

**SPECIFICATIONS AND FEATURES**

**Stadium Flood Light**

|  |  |
|--|--|
| Product Type .....                                 | Adjustable Rotating Module Stadium Flood Light                       |
| Manufacturer .....                                 | uSaveLED   |
| Model Number.....                                  | USFLT960WCM  |
| Price .....  | \$2,425.00   |
| Special Price (10+ Units) .....                    | \$2,185.00   |
| Voltage .....                                      | Meanwell HLG 90-305VAC Standard / 347-480VAC Available (Add \$89.00) |
| Wattage .....                                      | 960  |
| Lumens .....                                       | 148,800-158,400  |
| Lumens Per Watt .....                              | 155-165  |
| LED Chipset .....                                  | Philips Lumileds   |
| Beam Angle (degrees) .....                         | 30 / 60 / 90 / 120   |
| Mounting Options.....                              | Rigid U-Bracket  |
| Kelvin (CCT).....                                  | 3000 / 4000 / 5000 / 5700 / 6500                                     |
| CRI .....  | >70 Standard / >80 Available (Add \$5.00)                            |
| Power Factor.....                                  | >0.95  |
| Life Span (Hours) .....                            | 50,000+  |
| Dimmable.....                                      | NO   |
| Waterproof .....                                   | IP66   |
| IK Rating (Impact and Vibration Resistance) .....  | IK09   |
| Operating Temperature ....                         | -40° to +60°C (-40° to +140°F)                                       |
| Certifications.....                                | DLC 4.3 Premium, ETL, RoHS   |
| Length of Warranty (YEARS).....                    | 5  |
| Dimensions .....                                   | 33.31"x7.96"x22.80"  |
| Suggested Replacement For: .....                   | 4000W Metal Halide   |
| Percent of wattage saved from average replacement* | 76%  |

(\*excludes savings in labor, frequency of bulb changes, ballast, and HVAC savings)

**Design Light Consortium Approved and ETL Rated for Quality and Rebates. Uniquely Designed Featuring Rotatable Modules Allowing for Custom Spread of Light and Eliminating Dark Areas. Perfect for Warehouses, Storage Bays, Arenas, Stadiums, Athletic Fields, Tennis Courts, Basketball Courts, Golf Driving Ranges, Manufacturing Plants, Oil Fields, Security Lighting and Much More!**
